

## **Linking the Year of Pulses and the Sustainable Development Goals**

In his latest vlog ICRISAT Director General David Bergvinson talks about the relation between two initiatives — 2016 International Year of Pulses as well as the new UN Sustainable Development Goals. He speaks about his experience from the ground during a recent visit to South Indian States where he interacted with farmers and attended the 1000 Farmer Producer Organizations (FPOs) launch in Andhra Pradesh (by Chief Minister of Andhra Pradesh Mr Nara Chandrababu Naidu), and consultation on Pulses for Addressing Food and Nutrition Security at the M.S. Swaminathan Research Foundation (MSSRF) in Tamil Nadu.
