

ICRISAT's science of delivery in 2016 and looking forward to 2017

Date : December 22, 2016

In his end of the year message ICRISAT's Director General David Bergvinson highlights the achievements of the institute in 2016, the UN's Year of Pulses, across Asia and Africa. He also talks about the urgency and goals to aim for in 2017 to meet the SDGs as there's still a lot of work to be done and we need to come together to achieve them.
